Foreign students in Italy :D

Ludovica Paluschi 2I

Some students from Poland, Sweden, Greece, Romania and Germany arrived in Italy on 1st of May and stayed here for five days. I hosted Karolina, a Polish girl, and I was very excited because it was the first time I had seen her. I went to the airport with my family at 10 p.m. on Sunday night and we could finally go home at 11.00 p.m. She brought us a basket of some typical Polish products, we opened it and then we went to bed.

Afternoon in Milan :D

Karolina and I got up at 7.00 on Monday morning and she was very happy because in Poland she usually gets up at 5.30; after we had had a typical Italian breakfast we went to school. There, there was a welcome party where we listened some typical Italian songs played by some students of our school; then, we went to the gym where we had 'Rio Abierto' with Mr. Belotti and, at 12 o'clock, we had a little party with a lot of Italian food. Then we did a tour of Caravaggio

until 2 o'clock p.m. After school Karolina, the group of students from Poland with their hosts and I went to Milan by train and we visited the 'Duomo', Vittorio Emanuele II Gallery and some shops near the Dome square. We came back home at 7.20 p.m.; we were very tired but happy, too 😊.

On Tuesday morning we got up at 6.45 because she was going to Iseo Lake with students from 2F and 2A so we were at school at 7.45. I said goodbye to her in the school car park and I went into my classroom. They arrived in Caravaggio at 5.30 p.m. and then Karolina, Federica, her guest Lorena and I went to the Sanctuary of Caravaggio. Karolina and I went to my grandma's house for dinner and then we went

to a bar called 'Sale e Brasa' where there were lot of foreign students too. We came back home at 11.30 p.m. and then we went to bed.

On Wednesday morning we got up at 7 o'clock, we had breakfast and then we went to school. All the guests stayed in their hosts classrooms for the first two hours and then foreign and Italian students showed their presentations about music until 11.45, when we went to the town hall to meet the mayor of Caravaggio. At 1 o'clock p.m. we went to the station to take the train for Bergamo. We arrived there at 3.20 and then we went to the Upper City (Città Alta) and visited Bergamo with a guide. At 6 o'clock the teachers stayed in Bergamo for dinner while all the students returned home by train with Mr Minerì. We arrived in Caravaggio at 7.30 p.m. and we had dinner. We went to bed at 11.30 pm. after having looked at the map of Venice.

Karolina and me in Venice

On Thursday we got up at 5 o'clock because we had to go to Venice; we prepared the food for the trip and then my dad went to the Verri Hotel to take the teachers and take them to the school car park. We left school at 6.30 and we arrived in Venice at 10 o'clock. We took the boat and we went to St. Mark's Square. After we had visited the Bridge of Sighs, the Rialto Bridge, St. John's and St. Paul's Church and Murano Island, we had lunch in Murano and at 4 o'clock we left the island and we went to our coach. We left Venice at 5.10 p.m. and we arrived in Caravaggio at 8.30 p.m. Then we went home and we had dinner; we had a shower and then we went to bed, but we kept talking until midnight!

On Friday morning we got up at 7.30 because we had to leave home at 9 o'clock to get to the airport. Karolina prepared her suitcase while I was packing her gifts from my family; she put them in her suitcase and then she took some photos of my house. Before the departure, Karolina and I took some photos with my family. I was very sad ☹ because I couldn't go to the airport with her and my parents; but she invited me to go to Poland this summer and I invited her to come back in Italy this summer... so I hope that I will be able to see her again this summer because in my opinion this experience was very beautiful and useful!! :D :D
